AUTHOR & MOTIVATIONAL SPEAKER

R. ROBERT WARREN, JR. MS ED.

was disciplined & driven as a youngster growing up in a farming community in the Bootheel of Southeast Missouri. The discipline and strong work ethic earned him a PK-12th grade *perfect* attendance record; a music & football scholarship to

MWSU; and eventually a Masters in Music Education from NWMSU.

Then ***Life Happened!*** 6 family deaths in 1 year, a lawnmower accident, old football injuries that landed him flat on his back, academic failure, financial stress & emotional bankruptcy! Though the author often dreamed of success— it was evident that hard work, determination and a belief that something better than his present circumstances would be the catalyst to catapult him to greatness.

Audiences will be encouraged as they hear how Robert Warren kept ***moving forward*** in the midst of adversity.

IT IS REFRESHING, UPLIFTING & EMPOWERING CONNECTING WITH THIS PUBLIC SPEAKER

This educator and former coach delivers effective strategies to cultivate courage, tenacity & perseverance during difficult times and challenges.

In each presentation R. Robert Warren, Jr. shares life-changing strategies of how he authored a book, birthed 4 businesses—including co-founded a community learning center that engaged & inspired over 1,900 at-risk youth & adults.

This former ***Colin Powell Promise Fellow*** will keep audiences on the ***edge of their seats*** as he captivates even the hardest-to-reach listeners with his enthusiasm, practicality & charisma. You may ***laugh!*** You may ***cry!*** But you too will ***discover Perfect Peace & that Moving is Better than Standing Still!***
